Non-Butyl Degreaser  
& Oil Dispersant

*This highly versatile cleaner can be used in a wide range of applications from light cleaning to heavy industrial degreasing. Produces spontaneous emulsification of oils. It breaks them up and holds them in suspension for easy rinsing or removal. Prevents the oils from redepositing on the cleaned surface. Getaway can be used to clean up oil slicks and spills from water surfaces and to degrease equipment around oil rigs. Excellent bilge cleaner.*

**DIRECTIONS FOR USE:** Follow dilution chart below depending on surface to be cleaned.

**MODO DE EMPLEO:** Siga esta tabla dependiendo de la superficie que se va a limpiar.
