Electro-Clean

Energized Electrical
Equipment Cleaner

Limpiador para de Energía Equipo Eléctrico

Non-Flammable • Non-Conductive
29,000 Volt Dielectric
Contains No Oil • Leaves No Film
VOC Compliant in All States

DANGER/PELIGRO:
CONTAINS GAS UNDER PRESSURE;
MAY EXPLODE IF HEATED.
CONTIENE GAS A PRESIÓN;
PUEDE EXPLOTAR SI SE CALIENTA.

NET WT. 16 OZ. (454 g)

SDS AND
PRODUCT INFO

ELECTRO-CLEAN is a highly concentrated solvent designed to remove dirt, grease, oil and grime from energized electrical equipment such as electric motors, armatures, relays, electric panels, generators and similar equipment. This product is non-flammable and non-conductive to 29,000 volts making it safe for use on electrical equipment while still in use. Quick dry time means relubrication of parts can be done shortly after cleaning. Dries residue free and is corrosion inhibited for protection of all surfaces. Does not contain any ozone depleting chemicals. Cleaning is quick and simple without the danger of injury to working parts. Ideally suited for use on electric motors even while running, electrical equipment, generators, power tools, etc. Also use on air conditioning, refrigeration and all types of HVAC mechanical equipment. This product is authorized by USDA for use in federally inspected meat and poultry plants.

Energized equipment use only. Not to be used for motorized vehicle maintenance or their parts.

NOTE: Do not use on automatic electronic process control or monitoring systems, computers or data processing equipment. May affect certain plastics. Test before using.

DIRECTIONS: Remove cap and spray generously over the surface to be cleaned until completely wet. Allow the solvent to set for a minute, then wipe or rinse off with a second spray. On heavily encrusted areas use a brush. Product is non-flammable and non-conductive so it can be used while motors and equipment are operating.

MODO DE EMPLEO: Remueva la tapa protectora y rocíe generosamente sobre la superficie hasta estar completamente húmeda. Permita que el solvente se asiente por un minuto y limpie o enjuague con un segundo rocío. Para áreas muy incrustada, use un cepillo. Este producto no es inflamable o conductor y puede ser usado en motores y equipo mientras están operando.

DANGER: Contains gas under pressure; may explode if heated. Causes skin and serious eye irritation. May cause drowsiness or dizziness. May cause cancer. Suspected of causing genetic defects. May cause an allergic skin reaction. Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container. Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/120°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Wear protective gloves, eye protection and protective clothing. If on skin: Wash with plenty of water. If skin irritation or rash occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. If exposed or concerned: Get medical advice or attention. Avoid breathing

fumes, mist, vapors, and spray. Use only outdoors or in a well-ventilated area. If inhaled: Remove person to fresh air and keep comfortable for breathing. Contaminated work clothing must not be allowed out of the workplace. Dispose of contents and container in accordance with local, state, and national regulations.

PELIGRO: Contiene gas bajo presión; puede explotar si se calienta. Provoca irritación cutánea y ocular grave. Puede causar somnolencia o mareos. Puede causar cáncer. Se sospecha que causa defectos genéticos. Puede provocar una reacción alérgica en la piel. Mantener alejado del calor, chispas, llamas abiertas y superficies calientes. -No Fumar. No rocíe sobre una llama abierta u otra fuente de ignición. Envase a presión: No perforar ni quemar, incluso después de su uso. Proteger de la luz solar. No exponer a temperaturas superiores a 50°C/120°F. Almacenar en un lugar bien ventilado. Lávese bien las manos después de manipular. Utilice guantes protectores, protección para los ojos y ropa protectora. En caso de contacto con la piel: Lavar con abundante agua. Si se produce irritación o sarpullido en la piel: busque atención médica. Quite la ropa contaminada y lávela antes de reusarla. En caso de contacto con los ojos: enjuagar cuidadosamente con agua durante varios minutos. Quite los lentes de contacto, si están presentes y son fáciles de hacer. Continúe enjuagando. Si la irritación de los ojos persiste: Obtenga atención médica. Obtenga instrucciones especiales antes de su uso. No lo manipule hasta que se hayan leído y comprendido todas las precauciones de seguridad. Si está expuesto o preocupado: busque atención o asesoramiento médico. Evite respirar humos, nieblas, vapores y aerosoles. Úselo únicamente al aire libre o en un área bien ventilada. Si se inhala: Lleve a la persona al aire libre y manténgala cómoda para respirar. No se debe permitir que la ropa de trabajo contaminada salga del lugar de trabajo. Deseche el contenido y el contenedor de acuerdo con las regulaciones locales, estatales y nacionales.
