LOOSE SCREW

**LUBRICANT &
PENETRANT WITH PTFE**
LUBRICANTE Y PENETRANTE CON PTFE

Non-Flammable
4-in-1 Lubricating & Penetrating Oil
Displaces Moisture
Contains PTFE to Increase Lubricity
Inhibits Rust & Corrosion

DANGER/PELIGRO
CAUSES SKIN AND SERIOUS EYE IRRITATION.
CAUSA IRRITACIÓN DE LA PIEL Y LOS OJOS GRAVE.

NET CONTENTS: 5 GALLONS (18.9 L)

LOOSE SCREW

LOOSE SCREW is a non-flammable, 4-in-1 formula that penetrates, lubricates, displaces moisture and resists corrosion. This lubricant is used by factories, truck lines, delivery services, transit systems, schools, machine shops, service stations, airlines, air maintenance shops and general industries. Contains no ozone depleters.

LOOSE SCREW excels as a:

Lubricant: Superior, long-lasting lubricant made specifically to hold contact with metal, rubber, metal to rubber, or rubber to rubber contact. Fortified with ultra-slick PTFE which lowers inter-surface friction and increase lubricity.

Penetrant: Penetrates frozen or rusted-on nuts, bolts, joints, couplings, pipe threads, or other parts and frees them for use.

Water Displacer: Displaces water and moisture from electric contacts, mechanical controllers, machinery parts, equipment and many other water sensitive surfaces, keeping them functioning to peak efficiency.

Corrosion Inhibitor: Adds a protective layer onto the surface to provide a physical barrier to water and oxygen to control corrosion on a variety of surfaces.

DIRECTIONS: Shake/stir contents to insure product uniformity prior to use. Spray/apply liberally until all moisture is rinsed away. This will also leave a protective coating to repel moisture. Repeat as needed. Can also be used to loosen rusty nuts and bolts.

MODO DE EMPLEO: Agite el contenido para asegurar la uniformidad del producto antes de su uso. Rocíe/ aplique generosamente hasta que toda la humedad se enjuague. Esto también deja una capa protectora para repelar la humedad. Repita según sea necesario. También se puede utilizar para aflojar tuercas y tornillos oxidados.

DANGER: Causes skin and serious eye irritation. May cause drowsiness or dizziness. May cause cancer. Suspected of causing genetic defects.

Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves and eye protection. If exposed or concerned: Get medical advice or attention. Store locked up. Dispose of contents and container in accordance with local and national regulations. Wash hands thoroughly after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

PELIGRO: Causa irritación de la piel y los ojos grave. Puede causar somnolencia o mareos. Puede causar cáncer. Se sospecha que causa defectos genéticos. Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. -No fumar. No pulverice en llamas abiertas u otra fuente de ignición. Envase presurizado: No perforo ni quemé, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Obtenga instrucciones especiales antes de utilizar. No manipule antes de haber leído y comprendido todas las precauciones de seguridad. Use guantes protectores y protección para los ojos. Si ha sido expuesto o preocupado: Obtenga atención médica. Almacene bajo llaves. Elimine el contenido y envase de acuerdo con las ordenanzas locales, estatales, y reglamentos nacionales. Lávese bien las manos después de manipular. Si cae en los ojos: Enjuague cuidadosamente con agua durante varios minutos. Remueva lentes de contacto, si están presentes y fáciles de remover. Continúe enjuagando. Si persiste la irritación ocular: Consulte con un médico.

Warning: This product contains a chemical(s) known to the State of California to cause cancer.

Advertencia: Este producto contiene químico(s) conocidos en el Estado de California por causar cáncer.

CONTAINS (CAS#): Tetrachloroethylene (127-18-4), Petroleum Distillate (8052-41-3), Trichloroethylene (79-01-6), Mineral Oil (8042-47-5).

HMIS Ratings: Health - 2, Flammability - 1, Reactivity - 0, Personal - C.
