NET CONTENTS: 5 GALLONS (18.9 L)

PRO-KOTE

PRO-KOTE has excellent anti-slip qualities. Coverage will vary depending on the age and type of floor from 1000 sq. ft. per gallon on the first coat, to 2500 sq. ft. on succeeding coats.

DIRECTIONS FOR USE

Prepare the floor carefully. Proper preparation will assure the finest appearance consistent with the time and materials invested. Remove all the old floor wax/finish with a heavy duty stripper, pad and machine. Rinse with clear water. Apply 1 coat of sealer/undercoater and allow to dry 45 minutes. Apply 2 coats of PRO-KOTE allowing 20-30 minutes between coats. If no sealer/undercoater is used, apply 3 - 4 coats of PRO-KOTE. Do not buff for 24 hours. For extra gloss and wear, allow floor to dry overnight, then apply two additional coats.

MAINTENANCE: Dust mop and spot mop daily to remove dust and spills. Use a neutral pH cleaner. Spray buff with soft pad or use a mop on dressing and high speed machine. Keep from freezing.

MODO DE EMPLEO

Prepare el piso cuidadosamente. Una preparación adecuada asegurará la más fina apariencia consistente con el tiempo y los materiales invertidos. Remueva todo la cera vieja y el acabado, con un removedor, o máquina. Enjuague con agua limpia. Aplique una capa de sellador o recubierto dejando secar por 45 minutos. Aplique 2 capas de producto esperando de 20 a 30 minutos entre capas. Si no se usa sellador o recubierto, aplique 3 o 4 capas de producto. No pula por 24 horas. Para un acabado extra brillante, permita que seque toda la noche y después aplique dos capas adicionales.

MANTENIMIENTO: Trapee diariamente para remover polvo y derrames. Use un limpiador con pH neutral. Pula con un pulidor suave o use un trapeador con una máquina de alta velocidad. Evite que se congele.

CAUTION:

Keep out of reach of children. May be harmful if taken internally. Avoid contact with eyes. In case of contact, flush eyes with water for 15 minutes. Consult physician immediately.

PRECAUCIÓN:

No se deje al alcance de los niños. Puede ser dañino si se ingiere. Evite el contacto con los ojos. En caso de contacto, enjuague los ojos por 15 minutos. Consulte al médico inmediatamente.

Contains (CAS#): Water (7732-18-5), Polystyrene/acrylic polymers (N/A), Diethylene glycol monoethyl ether (111-90-0).

HMIS Ratings: Health - 0, Flammability - 0, Reactivity - 1, Personal - A.
