# EARTH SCENTS SUPER BUGZ

## Enzyme Treatment for Organic Waste

EARTH SCENTS SUPER BUGZ contains powerful waste-digesting, bacteria-producing enzymes to break down organic material into water soluble nutrients. The bacteria digest the released nutrients, multiply and continue producing enzymes to continually clean and deodorize areas where organic waste is present. May be used to remove pet stain odors and other organic-based odors from carpeting, upholstery, and other fabrics. Contains 5 strains of non-toxic bacteria. Optimal temperature range for maximum effectiveness is 54°–113°F; effective up to 212°F.

- ❖ 2590 - Plumeria\*
- ❖ 2600 - Cucumber Melon\*
- ❖ 2690 - Pina Colada\*
- ❖ 2760 - Linen\*
- ❖ 2840 - Citrus
