

SKIDEW

MILDEW STAIN REMOVER

DESCRIPTION

SKIDEW is designed to quickly remove mold and mildew stains on contact without scrubbing. No dilution required, eliminating mess and waste. **SKIDEW** contains sodium hypochlorite to work where conventional cleaners won't. Also contains a fresh pine fragrance to make the chlorine easier to work with. Use regularly to prevent stains from coming back.

APPLICATIONS

For use on bathroom tiles, grout, painted surfaces, brick, concrete, shower curtains and stalls, mats, awnings and vinyl canopies, auto and boat vinyl tops, tents, equipment, outdoor furniture, ceilings and walls, and poolside areas. See label for detailed precautions. Areas of use include homes, offices, factories, sports and recreation facilities, pool service companies, and hotels/motels.

FEATURES & BENEFITS

- No dilution required
- Works quickly and easily—simply spray on and rinse off
- Regular use prevents reappearance of stains
- Fresh pine fragrance

SPECIFICATIONS

FORM: Liquid
ODOR: Pine
COLOR: Hazy
DETERGENCY: Excellent
TOXICITY: 500 ppm OSHA TLV
WETTING ABILITY: Excellent
STORAGE STABILITY: 1 Year +
COLD STABILITY: 32°F
PHOSPHATES: None
VOC CONTENT: N/A

FLASH POINT: None
BOILING POINT: N/A
SOLUBILITY IN WATER: 100%
SPECIFIC GRAVITY: 1.12
% VOLATILE BY VOLUME: 90%
pH: 13-14
PROPELLANT: N/A
EVAPORATION RATE: Slow
BIODEGRADABILITY: Yes

LABEL INFORMATION

SKIDEW MILDEW STAIN REMOVER

SKIDEW quickly removes stains and spots caused by mold and mildew without scrubbing. Use it indoors on bathroom tile and grout, shower stalls, ceilings, walls, and shower curtains. Use outdoors on concrete, brick, awnings and canopies, auto and boat vinyl tops, tents, outdoor furniture, and pool-side areas.

DIRECTIONS: IMPORTANT: Read all precautions before using this product. Use undiluted. Spray directly on mildew stains and allow to dry. Rinse with water. Check for color damage in an inconspicuous area before using on painted surfaces or fabrics. Do not mix with ammonia solutions, any toilet bowl cleaners or another cleaning agents as this could result in the formation of hazardous gases. Do not use on silk, wool, cotton or leather. Do not reuse this container; destroy when empty. Product and fumes are corrosive to metals. Do not expose to unpainted iron or steel. Unprotected copper, brass, chrome or other metals may discolor. If exposed, metals should be rinsed at once. Point mouth of bottle away from you when opening. Keep container tightly closed, upright, and store in a cool, dry place. Rinse food contact surfaces with potable water before reusing.

DANGER: Causes severe skin burns and eye damage. May be corrosive to metals. Do not breathe mists. Wash hands thoroughly after handling. Wear protective gloves and eye protection. If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations. Keep only in original container. Absorb spillage to prevent material damage. Store in a corrosive resistant container with a resistant inner liner.

CONTAINS (CAS#): Water (7732-18-5), Sodium Hypochlorite (7681-52-9), Sodium Hydroxide (1310-73-2).
