**READ ALL DIRECTIONS AND PRECAUTIONS
CAREFULLY BEFORE USING THIS PRODUCT**

DIRECTIONS: Refer to Safety Data Sheet before using. Goggles, gloves and other protective clothing should be worn when using this product. Turn system off. Dilute 1 part HTEC with 3 to 6 parts water. Add water to a low pressure QuestVapco tank sprayer, then add cleaner. Concentration of cleaning solution may be increased or decreased depending on job requirements. Spray directly on coil, thoroughly saturating the coil. Allow solution to remain for 5 minutes, then resume normal operations.

WARNING: Causes skin and serious eye irritation. Wash hands thoroughly after handling. Wear protective gloves and eye protection. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical advice or attention. Take off contaminated clothing and wash it before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.

For Use by Qualified Maintenance & Service Personnel Only.
