# ANTI-SEIZE THE DAY

Anti-seize compounds are used to prevent metal parts from sticking, galling, or corroding when they are assembled and later removed.

By reducing friction and protecting against rust and high heat, anti-seize helps extend the life of equipment and makes future disassembly much easier. Common applications include coating bolts, nuts and threaded fasteners so they can be easily removed after exposure to heat, moisture or chemicals.

## AUTOMOTIVE

Spark plug threads, exhaust bolts, brake components, wheel studs

## CONSTRUCTION

Heavy equipment fasteners, flanges, pipe fittings, machinery parts

## MARINE

Dock hardware, propeller shafts, propeller nuts, engine fasteners, winches

### L6600 KOPPER LUBE Copper Anti-Seize

- Temperature Range of 0°F to 350°F.
- Fortified with molybdenum.
- NLGI Grade 3

### 5310 KOPPER LUBE Copper Anti-Seize (aerosol)

### L676 NICKEL LUBE Nickel Anti-Seize

- Heat Resistant to 2600°F.
- Meets MIL-PRF-907E.
- NLGI Grade 2

### L6390 SURRENDER Ultra High-Temp Aluminum Anti-Seize

- Heat Resistant from -30°F to 2200°F.
- NLGI Grade 2

## SUMMER CONCESSION CLEAN-UP

FESTIVALS, COUNTY FAIRS, ZOOS, BASEBALL GAMES, THEATERS

Temporary summertime concession stands pop up in busy outdoor spaces to serve quick, refreshing treats to visitors enjoying the warm weather. At the end of the day, equipment needs to be thoroughly cleaned and ready for the next day.

**20301 NU-VIEW CONCESSION, FOOD EQUIPMENT & MULTI-PURPOSE CLEANER** - Safe for polycarbonate, lexan and plexiglass. Ideal for hot dog machines, popcorn machines, nacho chip warmers, soft servers.

**401304 FRYER PUCK BOIL OUT DEEP FRYER CLEANER** - Low foaming tablets for cleaning french fryers, donut fryers and fish fryers.

**6660 CLEAN ICE ICE MACHINE CLEANER** - Quickly removes lime scale and mineral build-up. Non-fuming, non-foaming and safe for stainless steel.

# CLEAN REMOVE POLISH

There's real cleaning magic in these melamine pads! You'll be amazed at the practically endless applications. Pads are made with two layers of melamine and a center durability strip that enhances performance and helps extend the pad's life.

## MELAMINE PADS

FOR COMMERCIAL/INDUSTRIAL USE

Check out this short list of the many ways they clean, remove and polish:

### INTERIOR BUILDING/PLANTS

Scuff marks on walls, floors, baseboards  
Crayon, ballpoint & pencil marks from walls  
Grease, residue from glass cooktops  
Permanent marker from dry erase boards  
Hairspray from restroom walls and mirrors  
Permanent marker from hard surfaces  
Dirt and stains from plastic trash cans  
Dried paint from door hinges  
Mold & mildew from anything plastic

### EXTERIOR BUILDING/PLANTS

Dirt from plastic, composite benches  
Vinyl siding and gutters  
Green algae from cement (steps, etc)  
Bird poop from concrete bird bath  
Mildew from tents, vinyl canopies, awnings, fiberglass items  
White railings, columns & pillars  
Pebbled surfaces (trash receptacles)

### MISCELLANEOUS

Residue from leftover stickers or labels  
Bugs from windshield, grill & bumper of fleet cars  
Carbon from hotel toaster oven glass  
Grease, residue from foodservice glass  
Vinyl striping on motor homes, vans, boats  
Fleet car tires, including white walls  
Scuff marks on helmets  
Whiten golf shoes & tennis shoes

THE MAGICIAN MELAMINE PAD  
measures 4.25" x 2.75" x 1.5"

THE SORCERER MELAMINE PAD  
measures 10" x 4.75" x 1.5"

## BUG OFF!
