2115 BD-20

12 - 20 oz cans/case

BD-20 is a heavy-duty butyl-based foaming degreaser. An excellent product to remove dirt & soil and cut through grease & oil. Stable foam clings to permit long lasting contact with irregular and vertical surfaces. Can be used in many different areas ranging from kitchens to auto repair shops.

AREAS OF USE:

Industrial shops, kitchens, bathrooms, locker rooms, offices, schools, hotels and motels. Excellent for brick, porcelain, plastics, steel and formica. Also great for removing burnt rubber particles and light asphalt residue from auto body surfaces.
