

Product # 8185

Technical Data Report

POWER TRIP II

PARTS CLEANER & DEGREASER

DESCRIPTION

An ultra-fast-drying, no-residue solvent cleaner formulated to quickly degrease and clean non-painted metal surfaces. This heavy-duty cleaner cuts through tough deposits, rapidly removing oil, dirt, varnish, sludge, grease, brake fluid and other contaminants.

The powerful spray penetrates and breaks down even the toughest buildup, leaving surfaces clean and residue-free Due to VOC regulations, not available for sale in CA, CO, CT, DC, DE, IL, IN, MA, MD, ME, MI, NH, NJ, NY, PA, RI, UT, VA, OH. Due to Canada VOC regulations not available for sale to AB, SK, MB, QC, ON, BC, NB, NL, NS, YT, NT, PE, NU provinces.

APPLICATIONS

Brake linings, drums, disc pads and most other metal parts.

FEATURES & BENEFITS

- Ultra-Fast Dry Time
- No Residue Formula
- Heavy Duty Cleaning Agent
- No Chlorinated Solvents

SPECIFICATIONS

FORM: Aerosol
ODOR: Alcohol or Solvent
COLOR: Clear
DETERGENCY: N/A
WETTING ABILITY: N/A
COLD STABILITY: 0°F
FLASH POINT: N/D

SOLUBILITY IN WATER: Non-Soluble in water
SPECIFIC GRAVITY: 0.69-0.728
% VOLATILE BY VOLUME: 97%
pH: N/A
PROPELLANT: Hydrocarbon
EVAPORATION RATE: Fast
BIODEGRADABILITY: No

LABEL INFORMATION

POWER TRIP II PARTS CLEANER & DEGREASER

An ultra-fast-drying, no-residue solvent cleaner formulated to quickly degrease and clean non-painted metal surfaces. This heavy-duty cleaner cuts through tough deposits, rapidly removing oil, dirt, varnish, sludge, grease, brake fluid and other contaminants.

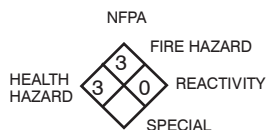

The powerful spray penetrates and breaks down even the toughest buildup, leaving surfaces clean and residue-free.

DIRECTIONS: Shake well before use. For best results, remove loose particles from the surface with a pad or bristled brush. Spray directly onto soiled surfaces and allow the flushing action to remove loosened soils. For heavy buildup, allow additional dwell time before flushing or wiping. Thick, encrusted deposits may require agitation with a stiff-bristle brush.

CAUTION: Do not use on painted surfaces, rubber or plastic. This product may attack or damage these materials. If contact occurs, flush immediately with water.

DANGER: Extremely flammable aerosol. Pressurized container: may burst if heated. Causes skin irritation. May cause drowsiness or dizziness. May be fatal if swallowed and enters airways. Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No Smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn even after use. Protect from sunlight. Do not expose to temperature exceeding 50°C/122°F. Obtain, read and follow all safety instructions before use. Avoid breathing fumes, mist, and spray. Wash hands thoroughly after handling. Wear protective gloves, protective clothing, and eye protection. IF ON SKIN: Wash with plenty of water. If skin irritation occurs: Get medical help. Take off contaminated clothing and wash it before reuse. Use only outdoors or in a well-ventilated area. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Get medical help if you feel unwell. IF SWALLOWED: Get emergency medical help immediately. Do NOT induce vomiting. Store in a well-ventilated place. Dispose of contents and container in accordance with local, state, and national regulations.
